

Job Description - Educator: Wild Shaale

Designation: Educator: Wild Shaale

Start Date: Immediate

Location: Andhra Pradesh

About the Job

Job Description

In this role, you'll help drive our mission forward by engaging students, fostering a love for nature, and ensuring smooth program implementation. Join us in making a lasting impact on the future of conservation!

Key Responsibilities:

Requirements:

- Implement the Wild Shaale program in Andhra Pradesh.
- Conduct environmental sessions and activities for schools.
- Train new field staff in session delivery and program implementation.
- Travel within India as and when required, especially to remote locations in the field.
- Collect, organize and manage data from schools.

Skills:

- Excellent communication skills in Telugu as well as English.
- Knowledge of verbal and written Telugu is mandatory.
- Ability to drive a four-wheeler along with a valid driving license is preferred.
